The Longfellow School-Wide Behavior Plan

“Everyone Everywhere Doing the Same Thing”

Two Fold:

1. Character Education

“We believe that the learning of social skills is the foundation for social and academic adequacy. It assists in the prevention of social problems and leads to successful functioning and survival skills for our citizens. SOCIAL BEHAVIOR AND ACADEMIC BEHAVIOR ARE HIGHLY CORRELATED. We believe it is more productive to teach children the proper ways to behave than to admonish them for improper behavior. This requires direct and systematic teaching....” By Ruth Weltmann, *Begun from Social Skills Lessons and Activities*.

2. Consequences

- Punitive Consequences
- Behavior Modification Plans

WEEKLY ASSEMBLY

A school-wide, character building assembly is held every Monday morning or first school day of the week, in the gym. The purpose of the assembly is three-fold:

1. Teaching the character trait of the month (monthly trait schedule following)
2. Community building
3. Celebrating student successes

Staff members are assigned to monthly character trait teams. These teams are responsible for planning the weekly assembly.

Assembly Time:

- Classes report to the gym at 9:10. Assembly needs to be finished by 9:30 or before due to special area classes

What is done during assembly time:

- Direct teaching of the character traits through skits, songs, chants, pledges, videos, etc. Refer to google site for some already made ideas.
- Celebrating individual students' behavior choices by drawing gold slips and awarding them with trophies, prizes, and certificates

Responsibilities for the team:

Prior to Assembly:

- **Friday prior to assembly take down gold slips and count the total (4th grade club)**
- **Draw one gold slip from each classroom to choose a prize**
- **Draw one gold slip from each grade to receive a trophy**
- **Mark the student's names on the clipboard on the prize cart that were picked for trophies each week.**
- **Get prize cart from teachers' lounge.**

During the Assembly:

- **Prepare a short presentation (10-15 minutes) to teach about the character trait.**
- **Read prize/trophy winners. Share number of gold slips earned**
- **Return prize cart.**
- **Sort gold slips by classroom and return to teacher's mailboxes.**

GOLD SLIPS

CAUGHT BEING GOOD!

- Students exhibiting behaviors that are safe, respectful, or responsible will be given a gold *Caught Being Good* slip which they post on the hall bulletin board weekly. (Any staff member may give a gold slip to any student exhibiting “Good” behavior.)
- Every Friday, the gold slips will be collected for use at the Monday Character Education Assembly.
- As a reward for “Good” behavior, gold slips will be drawn during the weekly assembly to acknowledge those students. A small prize will be given, or a trophy awarded.
 - **One student from each grade level will be picked from gold slips for a trophy. This trophy will stay with the student in their classroom for a week, and will be returned at the assembly the next week. Mark students name on the clipboard on the prize cart.**
 - **One student from each classroom will be picked from gold slips to choose a prize from the Leopard Spot cart.**
- The gold slips will be returned to classroom teachers to be sent home with the students after the Monday assembly.

The Process to Follow When Students Exhibit Inappropriate Behaviors

This is a school-wide plan. It is an expectation that all staff members will follow this plan and implement it consistently.

There are two ways a student can receive a detention. The first is working through the steps (see previous page). Every room has a poster of these steps posted for the students to see and for the staff member to see. The second way to receive a detention is by-passing the steps and going immediately to a detention (see previous page for reasons for immediate detention). Again, every room has this poster displayed for all to see. Each room also has a system for identifying which detention step a student has reached.

Any staff member may give a detention if it is warranted. The staff member giving the detention fills out the green detention slip (see below), and **THAT STAFF MEMBER** has the child call home immediately and explain to a parent or guardian that they were given a detention and why. If nobody is at home, the child is to leave a message. If the staff member giving the detention is not the classroom teacher, they need to notify that teacher of the detention. After the call home and notifying the classroom teacher, the green slip should then be taken to the staff lounge and put in the appropriate spot for the detention duty teacher to collect.

Detention Room

The detention staff member checks the detention board in the staff lounge daily. If there are detentions that day, they take those students to their classroom. The students serve detention time for 20 minutes during the noon hour working on Behavior Modification activities (see following pages for examples). Detention time is not just punitive; it is also corrective. Students learn strategies for implementing appropriate behavior.

Also built into the detention plan are steps to be followed for each acquired detention (see following pages for example). These levels are cumulative for the quarter, but when the new quarter begins, the student begins with a clean slate. The classroom teacher is responsible for following through with the steps that correspond with the student's number of detentions. The classroom teacher will send a letter home notifying the parent when a meeting or referral is required. The classroom teacher will schedule a meeting with office staff and parents when needed.
